Money for Mustangs

Every year, Millard North Middle School provides our children with many opportunities that would not otherwise be possible without your financial support. At MNMS, we recently redesigned our approach to fundraising. We no longer hold fundraisers to benefit our school; instead we adopted the **Money for Mustangs** program. There are several opportunities for parents/guardians to make a positive difference in your child's educational experience. Please take a moment to read through the following descriptions.

Thank you in advance for your support!
