➤ Physical Education Attire – athletic/tennis shoes, elastic waist shorts, t-shirt, cold weather attire as needed.	
➤ Supplies on this list are requested for the beginning of school and may need to be replenished throughout the school year.	
➤ Other supplies will be provided through school. Please do not purchase white out or rubber cement for school. When needed, these items will also be supplied by the staff.	
➤ Students will have access to calculators during math class and Guided Study. If you decide to purchase a new calculator look for the one that is labeled as “scientific” or uses correct order of operations. Additional keys to look for would be the pi key, a sign change key (+/-) and a fraction key (either a $\frac{b}{c}$ or one key that is “a” another that $\frac{b}{c}$). This type of calculator will meet the student needs for grades 6, 7 and 8.
